OF DELHAM**

WEDDING POLICIES AND PROCEDURES

Dear Wedding Candidates,

We are thrilled that you are making plans for a church wedding. The First Baptist Church of Pelham loves and believes in holy matrimony because it is a divine institution and the building block of all civilizations. We believe that marriage vows are sacred and that a church wedding is a worship service. Only marriages by God's design can be performed on this property and officiated by ministers of First Baptist Church of Pelham.

In keeping with our beliefs and convictions, please let me share a couple of items with you. In the last several years I have had the experience of coming to counsel with a prospective bride and groom to find that they were already living together. The world has accepted such behavior as normal, but it is not consistent with the teaching of the scripture. By having a church wedding you are asking God's blessing on your life as a couple and saying that you are establishing a Christian home. If you are living together now, you have three options:

- (1) Get married immediately.
- (2) Get married in another church by another minister.
- (3) Separate and maintain separate living quarters until after the wedding.

Second, it has been reported that the divorce rate among church members is no different than the divorce rate of unchurched people. Approximately fifty percent of marriages end in divorce. Among denominations, Baptists lead all other denominations in the divorce ratio. These two facts have led us to become a part of the Covenant Marriage Movement. The Covenant Marriage Movement requires testing and counseling by a professional counselor. It also requires that the bride and groom sign a covenant stating that their marriage is a sacred covenant between them and God.

I have been performing weddings for more than fifteen years and have had the honor of standing with numerous couples before God and a sacred assembly. Please know that I only want what is best for you and God's blessings upon your marriage. If you have any questions, I will be glad to meet with you personally.

In Christ,

Daven Watkins
Senior Pastor

Dear Prospective Newly-weds,

Thank you for requesting information concerning your up-coming wedding plans and the use of First Baptist Church. We have compiled the attached information for your benefit and ours. Please read all pages carefully and let me know if there is anything that you have any questions about or that you don't understand. There are parts of these policies that have been highlighted. Please pay special attention to them.

Before making any arrangements with the church, please contact either of our wedding coordinators to ensure that your desired date is available. If we do not answer, please leave a message on our recorders. Complete the attached forms **ONLY AFTER** we have confirmed your anticipated wedding date. Also if you need to cancel or change the date, **PLEASE** let us know, as well as advising Pat MacKay in the Pastor's Ministry Assistant's Office (PHONE: 664-0237, ext. 2021).

Please also note that you must go through the Covenant Marriage Counseling program through the HOPE Center. This is a requirement before you can be married in our church. We are attempting to prepare young people for marriage and to do our part to strengthen future homes.

We are often asked to publicize bridal teas or wedding invitations of church members. We will do this for you in the church newsletter upon request, but only one time. This should not be considered to be your invitations, as you are responsible for those yourselves.

We will be glad to help you in any way that we can. Please do not hesitate to contact us should you have any questions and/or concerns. We look forward to helping you make your wedding day a wonderful and unforgettable experience.

Sincerely,

FBC Pelham Wedding Coordinators

WHO MAY HAVE A WEDDING AT FBCP

First Baptist Church of Pelham is available to members and non-members for the purpose of weddings. The sanctuary will be reserved after one of our Wedding Coordinators has been selected, the Pastor's Assistant has cleared the requested date with the church staff, and a deposit has been received. Cancellations must be received at least 30 days in advance or deposit will be forfeited. Please contact the Pastor's Assistant and Wedding coordinator as soon as possible if you have a change in the date.

In some cases, the fees for "member" and "non-member" will differ. The term "member" shall be taken to mean that one part of the marriage or a parent of one of the marriage is a member. All weddings will be officiated by one of the ordained ministers of the church staff or other ordained ministers who have received prior approval of the Senior Pastor. Our Pastor is to be informed of the visiting Pastor's name, church affiliation, phone and address.

Weddings cannot be performed on Sundays, holidays, holiday weekends, or during the month of December without prior approval. Weddings will not be scheduled on dates that conflict with special worship services or events involving the church body. Saturday weddings will begin no later than 6:00 p.m. and the building will be vacated no later than 9:00 p.m. to allow for cleaning and restoration of the facilities in readiness for Sunday services. Friday weddings should be scheduled no later than 7:00 p.m. so that all members of the wedding party and service providers can vacate the premises not later than 10:00 p.m.

Wedding Coordinator/Director:

The Wedding Coordinator/Director is the key contact person for your wedding plans. She will bear the burden of the coordination of your wedding with the church from beginning to end. One of our Wedding Coordinators is required to be in attendance at every wedding, even if another director is used.

The Wedding Coordinator/Director's responsibilities include:

- Be available for consultations concerning any part of your wedding.
- Arrange for the church to be open as needed, up to 6 hours before wedding.
- Make the bridal party aware of the location of bathrooms/dressing rooms for their use.
- Ensure that your florist, caterer(s) and/or photographer are familiar with church event policies.
- Conduct your wedding rehearsal and direct your wedding.

Pre-Marital Counseling:

All persons marrying at First Baptist Church of Pelham will be required to participate in pre-marital counseling through The HOPE Center located on the premises. This counseling must be coordinated through The HOPE Center well in advance of the wedding date.

Rehearsals:

If you desire to have your rehearsal at the church, this must be arranged with the Wedding Coordinator. Rehearsals should be scheduled no later than 7 PM and should last no more than one hour. Rehearsal dinners can also be scheduled, if needed, through the Wedding Coordinator, who will contact the Chairman of the Kitchen Committee.

Florist:

The florist may obtain access to the building by calling the Wedding Coordinator. The florist may begin decorating the church up to six hours prior to the wedding.

Photographer:

The photographer may obtain access to the building by calling the Wedding Coordinator. Photographs may be taken before and after the ceremony. Video cameras are allowed but must remain stationary at all times. First Baptist Church of Pelham does not provide any videography services.

Music:

The Worship Leader is available to assist with the wedding music and is able to provide the Bride with names of musicians available to sing and/or play for the wedding ceremony, if desired. Fees for these musicians are not included in the overall cost, and will need to be discussed directly with the musicians.

Dancing:

No dancing is permitted in the church facility at any time.

Catering:

The current Chairman of the Kitchen Committee will meet with you, your family and the caterer to go over your catering needs as they relate to the FBCP Annex facilities.

1. Our Facilities Team will set up and take down tables and chairs in the Fellowship area of the Annex. Please refer to fees (page 2).
2. You must supply your own items (plates, silverware, glasses, etc.)
3. Your caterer is expected to professionally and respectfully use and care for the Annex/kitchen facility. He/she must clean and remove his/her own silver and glassware, and clean any part of the kitchen used.

Wedding Party:

It is very important to our church that members of the wedding party respect our place of worship. The church is God's house and deserves appropriate conduct and behavior. We forbid the presence of alcoholic beverages and use of tobacco products anywhere on the church premises at any time.

Dressing Rooms:

The Wedding Coordinator will provide the bridal party with locations of the dressing rooms available for their use on the day of the wedding. Dresses, tuxedos, etc., should be brought that day and removed following the wedding and reception. These rooms will not be locked; therefore, First Baptist Church of Pelham cannot be responsible for items left unattended in these rooms. Please secure all valuable personal belongs before the wedding.

WEDDING GUIDELINES

The Bride and Groom should strive to have everyone arrive timely for the rehearsal and the wedding. If pictures are to be made before the wedding, ensure that everyone involved is informed of the time to be picture-ready.

Multiple weddings will not be scheduled for the same day or weekend.

The church wedding is a **Worship Service**. All members of the wedding party are expected to conduct themselves accordingly at all times, thus befitting the atmosphere of the place of worship.

The wedding party should leave the areas of the church in the same condition as they found them. **All rooms used for dressing and/or eating must be cleaned out immediately after the wedding. Any additional cleaning will result in extra charges.**

Food may be served and/or consumed only in Room No.121 located behind the choir loft. **No food is to be taken into any other room at that campus. Doing so may result in forfeiture of your deposit.**

The Bride, her mother, and the matron/maid of honor may use the Bride's Room in preparation for the wedding.

The Groom, his father and the best man may use the Groom's Room in preparation for the wedding.

Remaining bridesmaids and groomsmen may use the two restrooms in the balcony in preparation for the wedding. Please keep the Gathering Area restrooms free from clutter, as these are the ones used for your guests.

Garments should be pressed prior to coming to the church as irons are not permitted in the building.

No valuables are to be left overnight or unattended. **The church will not be responsible for lost or stolen articles.**

Positively no confetti, rice or like materials are to be thrown inside the church building. Birdseed, bubbles and rose petals may be used in small quantities and only in the parking area. Failure to abide by this may necessitate forfeiture of your damage deposit.

No pets or animals are to be in the buildings at any time except service animals when accompanying a visually or otherwise impaired individual.

Church members may request that an invitation to the wedding be printed in the church newsletter. This can be done one time only. Should you elect to have your wedding invitation printed in the church newsletter, a copy of the invitation must be delivered to Pat MacKay at the Church **at least eight weeks prior to the wedding.**

Bring your marriage certificate to the pastor at the time of the wedding rehearsal.

DECORATING GUIDELINES

Decorating should be in keeping with the beauty of the sanctuary and the sacredness of the occasion.

Only skilled persons who will accept the responsibility with extreme care should install decorations in accordance with the following:

No nails, tacks, staples, pins, adhesives or anything that will mar woodwork, brass or furniture may be used.

No decorations may be placed in the baptistery; however, the ledge designed for floral arrangements may be used.

NOTHING is to be moved on the stage beyond the carpeted area. This includes chairs, instruments, music stands, microphones, speakers, etc. There is a limited amount of space in that area that can be used to place candles, ferns, flowers, etc. Should you desire to use this space, it is OK provided that any and all debris such as dead leaves, candle wax, etc. is cleaned and removed.

Should you highly disagree with this policy, we will remove the orchestra equipment provided that you pay a fee of \$200 to the Audio Video Specialist who removes it. This equipment is not “road worthy”. It is not built for a lot of handling. **ONLY**, a trained and experienced AV technician assigned by the worship leader is allowed to do this.

We have done **MANY** weddings where the orchestra equipment was not touched. You cannot see it when the lights are dimmed in that area and are brought up on the stage, which we will do for you. Also, by the time you add flowers, candles, wedding party, arches, ferns, etc, you simply cannot see the equipment.

Pulpit furniture will be removed by the church’s Facility personnel.

No decorations may be placed on the organ or on the piano.

No candles may be placed on the organ or on the piano.

Either dripless candles, which must be in candelabras, or pillar candles may be used.

Clear plastic sheeting must be placed under candelabras.

Clear plastic sheeting or saucers must be placed under any potted plants.

Be sure to advise the Facilities Manager of the time you need to have the building opened for decorating.

All floral decorations must be removed immediately following the wedding and receptions. After the wedding, decorators are responsible for cleaning the decorated areas of leaves, loose dirt, etc. Wedding decorations may not be stored at the church for later pickup.

If you wish to leave the wedding flowers for use by the church on Sunday, they may be placed on the round table in the Gathering Area. This needs to be coordinated with the pastor's ministry assistant at the time the wedding is scheduled.

WEDDING MUSIC GUIDELINES

Careful thought should be given to the selection of all music, whether vocal or instrumental, as your church wedding will be a worship service in every sense. Marriage is an ordinance of God, and the ceremony at the altar places the marriage relationship under the blessing and command of God.

Only music which is worshipful and celebrative in nature should be requested. All music is to be discussed with the church's Worship Leader at least one month prior to the wedding. The Minister of Worship has the authority to approve or disapprove any of the music you may have selected for your wedding ceremony.

We suggest that you meet with your musicians as soon as the wedding date has been calendared and discuss your desires with them. Complete the Wedding Music form and schedule an appointment with the Worship Leader for review.

Should your musician not have the requested music and/or sound track, it is the responsibility of the Bride to purchase and provide it to the musician.

Church soloists and musicians may be available for the wedding. Fees for their services may be discussed with the Worship Leader and/or the musicians themselves.

AUDIO POLICIES

Discuss all sound system/technical needs with the Wedding Coordinator. **Due to its complexity, only the church's trained sound technicians are qualified to operate the sound/AV equipment.**

The sound technician usually meets with musicians 15 minutes prior to rehearsal and/or one hour prior to the wedding for rehearsal and/or sound checks. Please ensure that all taped accompaniment tracks are plainly marked as to which side to use and have them cued prior to the rehearsal/wedding. CD tracks should also be marked with a note taped to the front of the jewel case.

Should you wish to have a video shown or want to use Power Point, you will need to advise the Wedding Coordinator at least 30 days in advance of the wedding. Please see the form entitled, "Fee for use of FBCP Facilities" for the charges for audio and video services.

WEDDING PICTURES GUIDELINES

Prior to the wedding, the Bride and the photographer should make a list of the pictures to be taken so as to eliminate confusion on the wedding day and expedite the wedding party's arrival at the reception.

As many pictures as possible should be taken prior to the wedding; however, pictures must be completed and all equipment removed from the wedding location 45 minutes prior to the start of the wedding to allow for the prelude and seating of guests which begins 30 minutes prior to the wedding.

Pictures of the Bride entering and exiting the ceremony may be made at the rear of the building. During the ceremony itself, time exposures may be made from the balcony. No other pictures may be made during the wedding.

To ensure the wedding party's return to the sanctuary, the photographer must inform the Wedding Director if additional pictures are to be made immediately following the wedding ceremony.

Pictures that include the minister should be taken first.

The photographer must bring protective cloth if he or she plans to stand on the pews to take pictures.

To prevent wax spillage on the carpet and/or furnishings, the candelabras may not be rearranged for pictures.

WEDDING VIDEO GUIDELINES

All equipment must be set up 45 minutes prior to the wedding time as the prelude and seating of the guests begins 30 minutes prior to the wedding.

Videographers who use wireless microphones for the Bride and Groom or any member of the wedding party must inform the Sound Technician prior to the wedding and must defer to his instructions. The sound for the wedding must take priority over the sound for the video.

A video of the ceremony may be made from the balcony. No walking around during the ceremony is allowed, unless the balcony is empty.

A remote stationary camera may be concealed in the floral decorations (greenery) at the front of the sanctuary. However, it must not be visible to the guests and may not be adjusted by anyone during the wedding ceremony.

No movement related to the making of a video is permitted at the altar area.

REHEARSAL DINNER AND WEDDING RECEPTION GUIDELINES

The Annex Fellowship Hall may be used for your rehearsal dinner and/or reception. To use the annex facility, call Ministry Assistant at 664-0237 ext. 2012. Use of the annex kitchen facilities must be approved by contacting John Jones at 620-4646.

Those responsible for the rehearsal dinner and/or reception shall ensure that the premises are left in a clean and orderly fashion. The caterer is responsible for all equipment.

MAINTENANCE POLICIES

It is the responsibility of the Facilities Manager to:

Open the building one hour prior to the rehearsal and as scheduled (or 8 AM?) on the day of the wedding, closing one hour after rehearsal and/or rehearsal dinner, and three hours after time of wedding.

Turn the heat and/or air conditioning on in the areas of the building being used for the wedding.

Remove pulpit furniture.

Choir chairs will not be removed from the choir loft.

Set up and take down chairs and tables as needed in the Annex for the reception.

Clean and reset the facilities that are used.

Any extra services or time required of the Facilities Staff will result in a \$20.00 per hour fee and will be deducted from the damage deposit.

TO THE PHOTOGRAPHER

(Please sign this form and return it to the Church Office 60 days prior to the wedding.)

To the Photographer

The Wedding Policies, which concern the work of wedding photographers at First Baptist Pelham, are listed below. These requirements must have your cooperation.

1. Arrange with the Bride to take as many pictures as possible prior to the wedding. Pictures must be completed and all equipment removed from the wedding location 45 minutes prior to the wedding time. The prelude and seating of guests begins 30 minutes prior to the wedding.
2. The wedding ceremony is a worship service. Pictures of the Bride entering and exiting the ceremony maybe made at the rear of the building. During the ceremony itself, time exposures (without flash) may be made from the balcony; no other pictures may be made during the wedding.
3. The photographer must inform the Wedding Director if additional pictures are to be made immediately following the wedding ceremony. This will assure the wedding party's immediate return to complete the pictures.
4. Remember the guests will be waiting to greet the Bride and Groom at the reception. The photographer and Bride should plan in advance the complete list of pictures to be made.
5. The Minister will be available for pictures immediately following the ceremony. Please take pictures including him first.
6. The photographer must bring a protective cloth if he or she plans to stand on the pews to take pictures.
7. The candelabras may not be rearranged for pictures (to prevent wax spillage on the carpet or furnishings).
8. Smoking or intoxicating beverages are not permitted in or on any of First Baptist Pelham's facilities/properties at any time.
